

# DMC1000-32NAV, NSN 5180-01-498-1237 LOCKING CABLE TOOL KIT - .032" CABLE

**DMC1000-32NAV  
.032" LOCKING CABLE TOOL KIT**

The DMC1000-32NAV meets the demand for a travel-ready Locking Wire system whereby the user has Tools, Verification Equipment, Accessories, a supply of Cable/Ferrules, and the Instructions all in one package.

The DMC1000-32NAV tool kit is contained in a canvas carrying case with individual pockets with hook & loop safety straps, laminated instruction sheets, and laminated contents charts that identifies the location of each tool.

The INSTRUCTION SHEETS provide detailed step-by-step directions on how to prepare a tool for use, install the locking cable, and gauge tools and installations.

DMC is well known through out the aerospace industry for the quality and capability of the Tool Kits that we manufacture. The packaging materials (case, pockets, and instructions) are manufactured to specifically meet the most demanding handling conditions.
