

DMC1209 Sikorsky H-60 MAINTENANCE KIT For Electrical Connectors and Wiring Systems

DMC1209 for the Sikorsky H-60

THE MAINTENANCE PROBLEM...

Modern aircraft, such as the Sikorsky H-60, have complicated electrical wiring systems containing many different connectors, contacts and terminals, the repair of which require precision tools.

It is not a cost effective use of the time of your technical staff to start from scratch and try to become intimately knowledgeable about which precision tools must be used to repair each electrical connector, contact and terminal when this task has already performed for the H-60.

AOG TIME CONSTRAINTS. Once the aircraft becomes inoperable because of a connector failure, it is imperative to be able to replace the connector, contact or terminal as quickly as possible to avoid loss of mission capability due to AOG. The DMC1209 kit supplies your staff with both the information and the tools necessary to make this type of repair to the H-60 in the shortest time possible.

THE DMC SOLUTION...

TOOLING RESEARCH. The wiring system of the H-60 has been researched and the most common tools required to maintain the electrical system are supplied in the DMC1209.

Tool kit supplied in 5 environmentally sealed fiberglass cases and includes: Name Plate, Foam Pads/Inserts, and Contents Charts.

Actual Kit may vary from example shown.

DMC1209 Sikorsky H-60 MAINTENANCE KIT

For Electrical Connectors and Wiring Systems

DMC1209 TOOL AND ACCESSORY LIST		
	11	Crimp Tools
	4	Turret Heads
	23	Positioners
	6	Single Position Heads
	34	Die Sets
	11	Metal Insertion Tools
	11	Metal Removal Tools
	250	Plastic Ins/Rem Tools
	3	Unwired Contact Removal Tools w/ Probes
	1	Wire Cutter
	10	Wire Strippers
	9	In-Service Inspection Gage
	2	Die Removal Tools
	4	Hex Wrenches
	2	T-Handle Wrenches
	2	Strap Wrenches
	4	Coaxial Cable Stripper
	70	Adaptor Tool
	1	Banding Tool & Accessories

DMC1209 TOOL AND ACCESSORY LIST		
	1	Trim Tool Set
	1	Solder Tact Fixture
	2	Cable Tie Tools
	1	Soft Jaw Pliers
	1	Trimmer
	3	Holding Fixture
	3	Solder Gages
	1	Insert Cable Adaptor

TOOL KIT CONFIGURATION	
Type of Case	Portable
Number of Cases	5
Color	White
Type of Construction	Fiberglass/Aluminum
Application	Sikorsky H-60
Coverage	Airframe Power Connectors
	Terminals size 2 AWG and Smaller
	Coaxial Connectors
Type of Inserts	Unicellular Polyethylene Foam with Die Cut Tool Cavities

NOTICE: Unless otherwise stated by DMC; tools contained in this kit have been selected based upon their suitability to service the related connector or contact indicated. Military Standard tools have been utilized wherever possible. These tools are not necessarily the production tools used to manufacture the aircraft and therefore, these tools may or may not correspond to the tools listed in the OEM wiring manual and/or the Chapter 20 Standard Wiring Practices Manual list of approved tooling. Verification Is Required.
