

# DMC1550 WA23 & ACCESSORIES TOOL KIT FOR TERMINAL CRIMPING SIZE 0000 THROUGH 8

**DMC1550 WA23 & ACCESSORIES TOOL KIT**

DMC's heavy pneumatic indent crimp tool functions with the push of a button for operator ease. This heavy duty crimp tool accommodates large size contacts 8 through 0000 (AWG) and operates on standard 90–125 psi (5.4–8.16 BAR) shop air sources.

It is engineered with the operator's safety in mind and features a full cycle control system. This tool is portable and needs no extra booster for large size contacts.

The standard die assembly and positioner are easily interchangeable with no special tool required.

In addition, the DMC1550 kit contains illustrated operating instructions for all the tooling included.

## TOOL KIT CONFIGURATION

Type of Case	Portable
