

# SUPERIOR TOOL KIT SOLUTIONS

Customized for Your Wiring System

**DMC** DANIELS  
MANUFACTURING  
CORPORATION

DMC Tool Kits have provided complete wire harness solutions for mission-critical, high performance industries including military and commercial aviation for over 70 years. Equipped with the highest quality tools qualified to meet military specifications for stripping, crimping and terminating wire; our tool kits offer a unique advantage that takes the guesswork out of producing superior wire harnesses.

## RESEARCH DONE RIGHT

- Eliminate costly and time-consuming research
- Ready-to-Use kit to support your aircraft's wiring system
- Tool Selection Charts provided for easy cross reference of connectors and tooling

## TOOLS FOR SUCCESS

- Precision tooling to meet the demands of high reliability electrical systems
- Tools and accessories included for building and repairing wire harnesses
- Built in the U.S.A. with high-quality materials

## PACKAGING THAT MAKES SENSE

- Efficient tool control and accountability
- Custom-fitted cases that are both durable and portable
